Weekly Newsletter for week beginning 13th November 2017
Statement to Live by for next week: I think before I make choices that affect my health.

Our Attendance and House Points Winners

Congratulations to blue team who are in the lead with house points this week and to Year 4 who won the attendance trophy with 96.9% attendance.

Christmas Fair Reminder

Christ the King Christmas Fair will take place on Friday 24th November between 3:30pm and 5:30pm. Thank you for all of your donations. I would also like to thank Mrs Hartley, Mrs Pemberton and the SOCK team for their super organisation skills in preparing things for the fair.

We are looking forward to welcoming everyone into the fair after school next Friday. There will be lots of stalls and activities for all ages - remember everything that is raised will be used to support your children in school.

Football News

Well done to our football team who played against St Peter's C of E, Bramley last Thursday. Mr. Davey said that the children all gave their best effort and he is looking forward to coaching the team and organising more matches in the future. We have a home game coming up on Monday 4th December at 2:45pm against St Benedict's Garforth for the Bishop's cup. Mr. Davey will shortly be selecting a team of children to play in the match.

Admissions

Admission into Reception open on 1st November and close on the 15th January 2018. If your child will be four before 31st August, then you need to apply during this round. Please apply online and come and ask for a supplementary information form at school. Please do book on to one of the new Reception Parent Tours to see the school and all of the great things we do at Christ the King. The dates for the tours are listed in the calendar dates below and you can book on to a tour by contacting the school office.

School Disco for KS1 and KS2

A reminder that there will be a KS1 and KS2 disco on Monday 20th November which has been organised by our SOCK (PTA) team. Tickets have been on sale for the past week after school. If your child would like a ticket, please see a member of the SOCK team. The KS1 disco will run between 3:30pm and 4:30pm and KS2 disco between 4:30pm and 5:30pm.

Football and Netball Training

There will be no netball training on Monday due to the school disco, however football training will go ahead outside. We understand that some pupils in KS2 will also want to attend the school disco. Therefore, if children would like to go to football training as well, they can stay for the first part of the training and then join the disco at 4:30pm. One of the teaching members of staff will collect the children who wish to attend both and take them into the disco at 4:30pm. Please let your child's class teacher know if they would like to attend both football training and the school disco so that we know who is attending both.

Year 6 Bikeability

Next week the children in Year 6 will be completing Bikeability training. This will be an opportunity for them to learn all about how to keep themselves safe whilst cycling. Professional instructors will be helping the children to develop better, safer cycling habits which is such an important skill on our busy streets and roads.

Miss F Clark
Head Teacher
