**Statement to Live by for next week: I know how to show I am sorry.**

**Sports Day**

Today we held our annual sports day for pupils and the competition was high. Following all of the calculations of scores, it was Red Team who took the sports day trophy this year. Well done red team!

Well done to all our pupils who took part, as they gave their best effort in their events despite the warm weather today. I would like to thank the parents who have supported us with transporting the gazebos from St Urban's and Holy Family, who kindly lent them to us for the day. It helped to keep all of our children sheltered from the heat of the sun.

We would ask that if you did take any photos of sports day to ensure that you do not share these on social media and you keep them for your own personal memories of the day. We ask this because we do have some pupils in school whose photos are not shared on our website or on social media. We will place photos of the pupils that we do have permission for on the school website for you to see.

**Run for Fun**

It's been a sporting week this week, with Year 5 and Year 6 taking part in the Run for Fun event in memory of Ann Maguire at Cardinal Heenan High school on Thursday. The children had a great time running the route set out for them and all did very well, especially as the conditions were so warm. There was a sea of pink tee-shirts as thousands of pupils from many schools in Leeds took place.

**Reception Class Assembly**

Well done to our Reception pupils on their first class assembly this week. They all did so well sharing with the rest of the school and their parents what they have been learning about in R.E this half term. I was disappointed to miss the final performance but was treated to a sneak preview during rehearsals. I thought the children's rendition of Ave Maria was beautiful and it was like we had a choir of angels singing.

**Parking**

We have recently received some correspondence from residents in the local area regarding parking. There have been several occasions where parents from our school have parked inconsiderately across residents' drives when dropping off and collecting their children from school. I would like to remind all parents to think about where they are parking and perhaps to consider walking or cycling to school if you live nearby, particularly in the beautiful weather with which we are currently being blessed.

### **Summer Fair**

Thank you to all of the parish members and the staff that helped out at the Summer Fair on Saturday and to all of our families who attended. We raised £820 for the school. The money raised will be put towards projects in school that we are currently raising funds for, such as an electronic library management system for pupils to scan in and out the books they want to borrow from school.

### **Parent Governor**

As you will be aware from the letter sent out earlier in the week, we are currently accepting nominations for the parent governor role in school. We are delighted that we have already had some nominations for this very important role. If you would like to submit your interest for this role the closing date is Tuesday 10<sup>th</sup> July.

### **Year 5 and Year 6 Production**

A letter will be going out to parents and carers to book tickets for the Year 5 and Year 6 production which will take place on Wednesday 11<sup>th</sup> July and Thursday 12<sup>th</sup> July. I know that the children have all been rehearsing to put on a show stopper for all of the parents so don't forget to book your tickets!
