

**Weekly Newsletter for week beginning 28<sup>th</sup> January 2019**  
**Statement to live by for next week: I co-operate with others in work and play.**

**Attendance and House Team Winners**

The highest attendance this week was 95.8% in Year 6. All classes are currently below our 97% attendance target. We appreciate that children do get ill. However, if your child has a sniffle or a bit of a sore throat, they can still come into school. We advise that you give them some medication in the morning if they need it and then, if you let us know, we will always contact you if they are continuing to feel unwell at school.

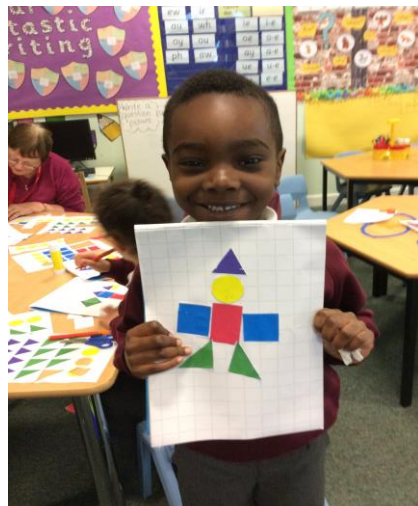

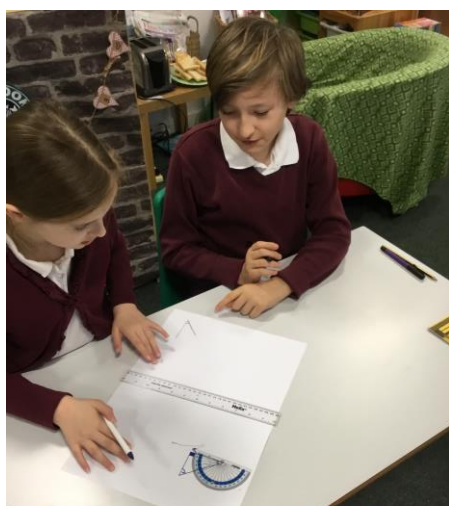

Our House Team with the highest points so far and the winners for this week are Red Team.

Year Group	Percentage Attendance
Year R	93.5
Year 1	92.6
Year 2	94.5
Year 3	90.7
Year 4	90.5
Year 5	94.0
Year 6	95.8

**Maths Week!**

This week we have been focusing on maths across school, using their reasoning and problem solving skills to complete a variety of challenges set. Year 5 and Year 6 very much enjoyed measuring out ingredients for baking and for some this was the first time they had made their own cakes. Year 2 visited Pizza Express to learn all about quantities, measures and fractions. All classes had a visit from CSI maths to put their maths skills to the test.

I think perhaps my favourite part of the week, however, was yesterday morning when we had visits from our parents and carers during our maths open morning session. I know that the children loved sharing all their learning with parents, carers and family members. It was lovely to see the children completing some joint maths activities in school with family members. Thank you to all of our families who were able to support us with this.

A reminder that Parents' Evening will be on Tuesday 12<sup>th</sup> February and Wednesday 13<sup>th</sup> February between 3:30pm and 6:00pm. Please do book an appointment online to see your child's teacher.

### **Christ the King Curriculum**

As you are aware at Christ the King, we are always looking for ways to make learning for our children as fun and as engaging as possible and make our curriculum broad and balanced. During parents' evening, we will be talking to you about your thoughts: What do you feel is important in the school curriculum? What do you want to see in the curriculum for the children at Christ the King? What do you think our children need? How can we continue to develop and improve our partnership with you as the primary educators of your children? Please do bring along your thoughts and ideas.

### **Year 2 SATS Meeting**

I would like to thank all Year 2 parents who attended the information session about KS1 SATS yesterday. I know that many of you found it helpful to look at some of the types of questions that your children will be completing in May and to get some top tips about how you can support your children.

### **World Book Day**

World book day will take place on Thursday 7<sup>th</sup> March. We are looking forward to celebrating again this year. Mrs Jones will be sending out a letter shortly to give everyone more details about the day and the exciting activities and events that we have planned.

### **Netball Success**

Over the past two weeks, some of our netball team have been taking part in a competition playing teams in the local area. Last week they played 3 games and this week another 3. We are extremely proud of the team and their achievements. We are looking forward to some of the other members of our team taking part in future games.

### **Sacramental Preparation**

We will be holding a meeting after school on Tuesday 5<sup>th</sup> February for all parents and carers with pupils in Years 3, 4, 5 and 6 wishing to find out more about the preparation classes for Reconciliation and First Holy Communion. We are looking forward to meeting with any parents or carers wishing to find out more information about the sacraments or to enrol their child on the program.

Miss Clark  
Head Teacher

#### **Dates for your diary**

12.02.19 – Parents' Evening  
13.02.19 – Parents' Evening  
14.02.18 – End of Spring Term  
15.02.18 – Training day
