## Key Stage 2 Statutory Assessments

I would just like to say a big well done to all of our Year 6 pupils who completed their Statutory Assessments this week.  We were all incredibly proud of them.  They gave their best efforts throughout the week.  I would also like to take this opportunity to thank Mrs Mitchell and Mrs Waide for all of their work alongside our children and to Mrs Borthwick for her delicious breakfasts this week.  It was lovely to see all of the children each morning enjoy sharing a breakfast and chatting with each other.
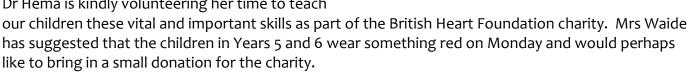

## Key Stage 1 Statutory Assessments

Our Year 2 pupils continue their assessments next week. We expect all our Year 2 pupils to be in school every day.  The children have all been brilliant in the tests that they have taken so far and again we are very proud of them.

## CPR Training

On Monday next week Dr Hema from Leeds General Infirmary will be visiting pupils in Year 5 and Year 6 to teach the children some basic lifesaving skills.
Dr Hema is kindly volunteering her time to teach our children these vital and important skills as part of the British Heart Foundation charity.  Mrs Waide has suggested that the children in Years 5 and 6 wear something red on Monday and would perhaps like to bring in a small donation for the charity.

## Meeting for New Reception Parents

A meeting for all new parents of our September intake Reception pupils will take place on Monday 24th June at 5:30pm.  Letters of invitation have been sent to all of our new parents and we are looking forward to welcoming all of our new children to Christ the King on our transition mornings and then full time in September.

## Training Day

A reminder to all parents that next Friday 24th May is a training day and the school will be closed to pupils.  The following week is then half term and we will look forward to seeing everyone return on Monday 3rd June.
